¹ This document (v2_2023) is maintained by Beth Lauderdale. See BethL on SuttaCentral. Lauderdale uses this format: (1) MW SDB = Sermons du Bouddha and MW EDB = Les entriens du Bouddha; (2) A. I 187-191 (Kālāma-sutta) = MW's Pali Text Society reference, followed by a Pāli sutta name; (3) *L'accès aux libres examens* = MW's thematic naming of the sutta (only in SDB as he does not do this in EDB); (4) AN 3.65 Kesamuttisutta = SuttaCentral's reference, followed by a Pāli sutta name; and (5) With the Kālāmas of Kesamutta = Bhante Sujato's thematic naming of the sutta in SuttaCentral. Lauderdale organizes MW's 41 total suttas in order of DN, MN, SN, AN, and KN. Please contact BethL with proposed revisions or other comments.
